About Me

I'm a passionate Front-End Developer currently pursuing a Bachelor's degree in Information Technology. I specialize in building user-friendly and responsive UI/UX designs with a focus on clean, efficient, and modern web experiences. With hands-on experience in real-world projects, I bring strong time management, creativity, and a commitment to delivering high-quality results within deadlines.

WORK EXPERIENCE

Jul 2024 – Dec 2024

Infomax college of IT and Management

Student Service Advisor

- Guided students on academic and administrative queries
- Supported student onboarding and engagement activities.
- Coordinated with departments to resolve student concerns.

Jul 2020 - Aug 2015

Infomax College of IT and Management
